

Do you need information or help to access public services? Do you need help with the SPID application? Do you have to apply for residence, health card or are you having difficulty with a permit to stay? Are you facing difficulties enrolling your children in school?

A **counselling and guidance desk** will be available at **FusoLab** each **Thursday from 12:00 to 19:00, starting the 17th of November**. Our operator will be there to give you information and help you solve doubts and problems relating to:

- residence and identity card
- permit to stay
- family reunification
- health care card
- choosing the family doctor
- appointments with ASL and social services
- school enrolment
- free Italian courses
- orientation to territorial job search services (COL, for Employment)
- opening a bank account
- information on the application for citizenship income
- information on state subsidies and bonuses, orientation to CAFs
- request for regional contributions to support school expenses
- INPS practices
- SPID digital identity

Linguistic mediation available in French, English, Spanish and Arabic.

To book your appointment with us you can:

- Online: <https://forms.gle/cPoJxW6Z9LGdtD82A>
- Contact FusoLab at 3892921601
- Or come see us at FusoLab, in Viale della Bella Villa 94 - Rome.

The opening of the counselling and guidance desk was made possible thanks to the contribution of the POR FSE Region, call for “Percorsi socio-educativi di integrazione scolastica e interculturale”
